Dear Kelly:

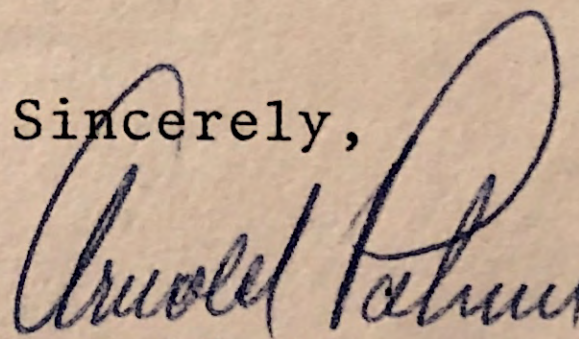

Thanks very much for your letter offering to caddie for me in the Canadian PGA Championship. I am sure that you would do a great job.

However, I am not certain of my plans in that respect at the present time, so I really can't give you an answer right now. I may have my own caddie with me.

I trust that you have made or will make your availability as a caddie known to the tournament committee, so that you will have a chance to caddie for somebody, should I have other arrangements.

Again thanks for writing and good luck with your golf at San Jose.

Sincerely,

Arnold Palmer
